Angel Ortega, Camp Advisor: 805-925-9096/Angel.Ortega@scouting.org

What You Should Know...

- Your Cub Scout will have fun doing crafts, Games, archery, wrist rockets, outdoor cooking, Wood craft, leather work, skits, jousting (sort of), Cub Scout skills and much more.
- Each pack MUST provide its own adult leadership for the boys they bring to camp. Therefore, families will need to work with their Pack to organize the cubs and adults that will attend CS Day Camp. Packs must provide a minimum of one adult staff volunteer for each 5 Cubs attending each day. Packs without an adequate number of adult volunteers may have their registration forms and payment returned. Adult volunteer training is Mandatory and will take place at a time and place to be determined.
- Adult volunteers are encouraged to help for the Entire camp. Remember, this is an all-volunteer Camp. Your help is needed!
- There will be a closing Campfire Program Put on by your Cubs on Wednesday from 3:00pm - 4:00pm. All family members are invited and encouraged to participate. Your Cubs will have worked hard throughout the camp and this is their time to shine.

if you volunteer!
