## Welcome to the Los Padres Council University of Scouting

It is with pleasure that we welcome you to the **FOURTH ANNUAL** Los Padres Council University of Scouting! Scouting's founder, Lord Baden-Powell believed that all leaders should be and needed to be trained. This tradition is carried forward today as well. The growth and success of the BSA movement is a direct result of that tradition and belief. Scouting has a proud history and we know an even greater future lies ahead. We hope you will continue on your personal **Journey to Excellence!**

The classes are designed to help you meet the required training for your Scouting position AND improve your skills and increase your knowledge of the Scouting program. We have organized a single day packed with a year's worth of FUN, program ideas, and information – the largest single training event of the year in Los Padres Council.

Of course, we couldn't do it without the exceptional help and dedication of so many volunteers from Instructors to Administrative Staff. I thank you all for your efforts to bring this first annual training event to fruition, may it continue for many years to come!

**A special thank you to the Santa Maria Stake of the Church of Jesus Christ of Latter-day Saints for making their church building available to the BSA. We appreciate their support and ask that you observe their request that there be no smoking or coffee drinking on church grounds in accordance with their beliefs.**

On behalf of the youth of our council, a sincere **THANK YOU** for joining us! By your attendance you have indicated your dedication to the principle that every Scout deserves a trained leader.

This booklet contains all the information you need to plan your day and to be prepared. Please take a few minutes to review courses listed in all the Colleges, plan your schedule listing first and second choices, and pre-register online. Courses are limited due to classroom size, so register **EARLY**. Walk-ins will be accepted subject to class availability. **There is NO discount for a partial class schedule.**

Yours in Scouting,

*Larry Basham, DDS*

Council Training Chair

***Every Youth Deserves A Trained Leader!***

### **Code of Conduct & Dress:**

All participants and staff are expected to conduct themselves in accordance with the principles of the Scout Oath and Law. Tobacco, alcohol, and use of illicit drugs are strictly forbidden. In addition, in keeping with the LDS Church standards, we request no coffee or tea be brought inside the church or on the church grounds. We are their guests and should conduct ourselves accordingly. Please leave the rooms and grounds neat and litter free. Leave No Trace! Thank you.

Adults and youth should wear the Field uniform of their respective program. Adults who are not uniformed leaders may wear business casual attire.

### **Course Evaluation:**

Please turn in your evaluation to the last instructor of the day or at the registration desk. We strive for excellence and your constructive feedback will ensure we improve next year.

### **Course Organization:**

The course offerings are divided into five colleges. Each college provides position required training and unique supplemental education. The colleges are:

1. College of General Education
2. College of Cub Scouting
3. College of Scouting
4. College of Scout Leaders
5. College of Youth Leaders

### **Can I Earn a Degree?**

The Univ. of Scouting degree program is an informal program of advancement in an atmosphere of fellowship and FUN. The intent is for you to be able to track your supplemental training and to reward yourselves for your accomplishments. The incentive is not only for you to carry on with your training, but to inspire you to return each year and share your wealth of experience with others as you advance on your own Scouting Trail.

You need not complete a degree to participate fully in Univ. of Scouting, but if you are interested, here are the guidelines:

1. The U of S Degree Program is open to all registered Scouts and Scouters ages 12 and older. Valid Youth Protection Training certification for the appropriate program is required for all adults.
2. Those who intend to pursue a degree, must fill out their Degree Program Application and submit it to the Registration Desk by 1:00pm on the day of the event in order to receive their certificate and patch at the closing ceremony.
3. Late applications will be processed as time and materials permit but may not be completed the day of the event. Records are NOT kept by the council. It is up to the participants to track their own courses and fill out their applications. A Scout is Trustworthy.
4. Each degree builds on that which came before, so the Masters Degree requires completion of the Bachelor Degree and so forth up to the Doctorate Degree.
5. The degrees available for youth under age 18 are the Participant, Bachelor and Masters.
6. Finally, if you aren't having **FUN**, then you aren't doing it correctly, **STOP IMMEDIATELY!!**

## ***Degree Requirements:***

### **How to Use the Course Catalog:**

The purpose of this Course Catalog is to help you plan your day and is organized to include a class schedule and listing for each College, the course number, name, description and length of each course. The schedule matrix at the back of the catalog indicates at what time courses are offered. Use it to mark which classes you are interested in and then mark your first and second choices on your personal schedule. You may then use it to assist you in filling out the registration form. **Online registration is recommended.**

**(Note that some classes are multiple hours long)**

**\*Class size may be limited, register early to avoid disappointment.**

**\*Classes may be cancelled or rescheduled due to situations beyond our control.**
